

Insect remover

- ▲ Dissolves soiling from insects, bird droppings, fuel spillages and exhaust gas residues
- ▲ Pleasant, intense fragrance
- ▲ Particularly environmentally aware and gentle composition
- ▲ Free from EDTA, NTA, phosphates and hydrocarbons

Application

Consult the manufacturer's instructions for the materials in question and test for compatibility in an inconspicuous spot where required. Do not apply on hot surfaces.

Apply extensively over the vehicle. Leave for 1-3 minutes to take effect. If necessary, work fluid in with a cloth or non-abrasive sponge. Then rinse with plenty of water, ideally with high pressure.

Note

Do not allow to dry. Rinse with plenty of water. Keep out of reach of children! No liability is accepted in case of incorrect and unprofessional use!

Ingredients (according to 648/2004/EC)

Anionic surfactants < 5%, complexing agents, water-soluble solvents, solubilizers, fragrances (Lilial, Lyrall, Coumarin).
pH value (concentrate): approx. 11

Art. No.	Packaging unit (PU)	Numbers of PU per pallet
