

Article number: H80-0020 w-w-w

Product description: 80mm, white-white-white

Product data

Weight (grams/pcs):	3,7-4,3	
Pieces per primary packaging (plastic bag):	50	07350143950056
Pieces per secondary packaging (box):	1 000	07350143950070
Approx. weight per box (kg):	< 6	
Number of secondary packs per pallet:	2*3*4=24	
Pieces per pallet:	24 000	
Approx. pallet height (cm):	132	
Approx. Pallet weight (kg):	155	

Manufacturing (certificates)

FSC, ISO 9001, 14001, 50001, BRC IoP

Lids are made from wood, bagasse or bamboo fibres.

100% recyclable as:

- PAP 20, corrugated board
- PAP 21, board
- PAP 22, paper

100% plastic free

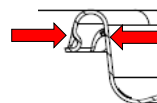

100% PFAS free

Biodegradable

Compostable

Functionality of the Liplid

These Liplids are optimized for cups with an upper rim thickness of 3,0 mm or more ($\geq 3,0\text{mm}$)

GTIN-13

Raw materials (certificates):

Wetforming, FOB Xiamen port, CHN

Bamboo/Bagasse

Recyclability: DIN EN ISO 14021:2016-07

Compostability: DIN EN 13432:2000-12, ASTM D 6400:2019-01

AS4736, ASTM D6868

Food safety: FSSC 22000 v 5.1, ESTS

ISO: CB/T 19001-2016/ISO 9001:2015, CB/T 24001:2016/ISO 14001:2015

REACH Act: eurofins (Pass)

Sensorial testing (Odour/tast): eurofins (pass)

PFOA + salts: eurofins (ND)

PFAS: TÜV Süd Group (ND)

Other contaminants: eurofins (ND, none detected)

Dry Moulded Fibres (DMF), EXW France Q2-2024

Bulk material: UPM RaumaCell's fluff pulp

Fulfil Nordic Ecolabel (SWAN) criteria for disposable hygienic products

Satisfies EU Ecolabel criteria

Produced using REACH-compliant process chemicals

FSC® or PEFC™ Chain of Custody certified

Available totally chlorine free for every end use

ISO 22000 food safety certified

Tissues: Sofidel KG 2990-001 & SCA
