Libresse Regular Tamponer

Vare 100784

Kvalitetsniveau Premium

Promote staff and customer wellbeing with Libresse Tampons in the Tork Period Care Dispenser. These tampon dispenser refills are dermatologically friendly and perfume-free to be gentle on the skin. An ultra-thin design makes them easy to insert, while wavy channels on each tampon aid absorption and an extra layer prevents linting. Twist & Open packaging makes opening tampons quick and easy. They're perfume-free and dermatologically tested to care sensitive skin, EU Ecolabelled to show commitment to the environment.

Fordele:

- Ultra-thin design for leak protection and easy insertion
- Wavy channels for better absorption
- Simple Twist & Open function
- Dermatologisk testet
- Uden parfume
