

ENVIRONMENTAL AND PRODUCT SAFETY DATA SHEET

Product

Led Candle light Spare part kit

Raw Material

Plastic shell /wax Electronic part LED

Packaging

Inner: Box Outer: Carton

Field Of Application

Wax LED Indoor use only /plastic LED also Outdoor use. All parts it to be cleaned with a damped cloth

Field Of Application

Wax LED Indoor use only /plastic LED also Outdoor use. All parts it to be cleaned with a damped cloth.

Environmental Aspects

Battery

The batteries are of the Lithium-ion type which do not contain any heavy metals such as cadmium or lead, which is energy efficient.

EC Directive 94/62/EC on Packaging and Packaging Waste

The packaging complies with all essential requirements as defined by 94/62/EC. For example minimum adequate amount of packaging, limitation of heavy metal content, recyclable through at least one of the following: reuse, material recovery, energy recovery or composting.

Product Safety

The product/raw materials fulfill the following:

Low voltage directiv: (LVD)
 Directive 2006/95/ EC
 EN62471:2006,
 EN60065:2002+A1:06+A11:08,
 EN60950-1:2006:+A11:09.

Electromagnetic Compatibility: (EMC)
 EN55105:2013+A1:2007+A2:2009
 EN61547:2009
 EN6100-3-2:2006+A1:2009+A2:2009
 EN611000-3-3:2013

Energy Related Product: (Erp)

Regulation 278/2009/EC

Management Of Used Products

The product complies with:

- EU Directive 2002/96/EC on waste electrical and electronic equipment (WEEE)
- EU Directive 2012/19/EU Product Recoverable according to WEEE
- EU Directive 2006/66/EC on batteries and accumulators and waste batteries and accumulators
- RoHS Directive 2011/65/EU on the Restriction of the use of certain Hazardous Substances in Electrical and Electronic equipment

Recycling

Used products should be handled according to local regulations for electronic products and batteries. The product should not be put in general waste.

Recycling of packaging

Recycling of the carton is recommended according to local sorting regulations

Validity

This is a copy of a document issued 2015-10-07. It is normally updated every second year or when there is a change in the manufacturing process, in the product or in legislation. To make sure that you have the latest edition, contact Duni AB.
